ROME CONNECTION

This upcoming week is my Rome Connection coordination week. I'll be working with The Rome Connection confirming airport transfers and finalizing the two days touring the sights of Rome. Please take a minute to review the information below and send me any updates.

This is what I have for arrival transfers from Rome Airport to Michaelangelo Hotel

1. Rome Connection Transfer: I am coordinating one transfer for the following flights:

2. Mary Beth Porter, Rick Porter, Colleen Porter - Coordinating own transfer to Rome

This is what I have for departure transfers from the Michaelangelo Hotel to the Rome Airport

1. Rome Connection Transfer: Shared flight Rome to Athens – Tim, Julie, Shawn, Neal, Diana, Paul
2. Mary Beth and Rick making independent travel arrangements.
3. Colleen – don't have any exact travel details yet.

Rome Connection Two Half Day tours of Rome

(The Rome Connection has a great two-day tour of the city. Each day is a easily manageable 5-6 hours excursion. One day focuses on the Vatican Museum and Sistine Chapel. The other day includes the Colosseum, the Capital and Palatine Hills, the Circus Maximus, and the glorious Pantheon. Moving on, you will walk through the famed Piazza Navona and Gianicolo Hill.)

Based on my notes and email, I have ~6 taking the tour, one or two not taking the tour, and two decisions pending.

Yes - Tim, Shawn, Colleen, Neal, Diana

No – Paul Shulz, Julie (maybe)

Pending – Mary Beth, Rick

Let me know of any changes. I am reaching out to The Rome Connection this week for scheduling, updating the itinerary, and getting 2024 pricing. If there are any additional activities you'd like to consider adding, let me know. Once I have everything finalized with them, I'll update everyone and provide the final costs for the tour.

In the meantime, Julie and I hope everyone is enjoying their winter.
